REGISTER YOUR 2017 FOALS!

Now is the most cost effective time to register your 2017 foals, before they turn one year old. They should be old enough by now so you can be sure of their markings and colour. If you aren't, read the General Guide to Colour Registration on our website, crtwh.ca, under 'General Store'. Another option is to have a genetic color test done at www.animalgenetics.us. Check 'Color Calculator' for more info.

Then fill out the registration applications and send them off to CLRC. The Fee Schedule on the following page gives you the costs.

CRTWH registration is a real value!

NEW ON OUR WEBSITE

President Sue Gamble, writes, "'I'm so impressed! I've been signing the Program For Excellence Award Certificates to be presented at the CRTWH Annual General Meeting on May 12. Congratulations to all those members who worked so very hard with their horses to obtain their results! (Names have been removed for this photo; however, accolades are still there.)"

"Putting a horse through the Canadian Triple Challenge up to the "Ultimate Horse" is no easy task and requires commitment. Very impressive! Beginning by putting the "Basic Skills" on your horse is a great starting point and benefits both you and your horse. If you are not in the CRTWH Programs, consider signing up and putting your horse through our very popular and very rewarding programs. What a great way to build on that partnership with your horse! You can live anywhere in the world and achieve your levels because the evaluation is done by independent judges through video submissions! Check out the Programs and the new 2017 Award winners on our website www.crtwh.ca."
