RIDE / DRIVE / ALT PROGRAM of the TRIPLE CHALLENGE

A reminder for all current participants in the Ride/Drive/ALT Program - it's time to send in your number of hours ridden, driven or doing alternate activities with your horse (s). The record should be sent to Fran Kerik at president@crtwh.ca, or mailed to her at Box 505, Two Hills, AB T0B 4K0.

2012 AMNESTY

Congratulations to all those owners who took advantage of the amnesty to register or update ownership of their Walkers. You can now show off your registered horse, duly recorded in your name, with pride.

Quite a number of TWH were registered or transferred through this amnesty from March 1 to December 31 last year. And as well, there are still many owners who applied within the December 31/12 deadline and whose applications are still in process.

Apparently the Kentucky lab, that is the only one still doing blood typing, restricts this service to twice a year in spring and fall. So for those who required blood typing to parentage verify their animal, there has been a significant delay.

This is another good reason to be sure your mare's DNA is done and on record with CLRC before you breed her. And be sure the stallion you take her to is DNA profiled as well. Blood & DNA don't mix when it comes to parentage verification!

**Questions? Call CLRC 1-877-833-7110
or contact one of the directors.**
