## REGISTER THOSE 2016 FOALS!

Now is the time to brush out those shaggy coats and winter tangled manes to make sure of the markings and colours of your 2016 foals. Then fill out their registration applications and send them off to CLRC before the youngsters turn a year old. That is the most cost effective time to register them. By now you'll know them well enough that they may even have named themselves! And if you are not sure about colour, check the General Guide to Colour Registration on our website, [crtwh.ca](http://crtwh.ca), under 'General Store'.
