

Annual CRTWH Walking Horse Clinic

Understanding and Enhancing Gait

Klondike Victory Farms

May 25 & 26, 2019

Here's your chance to start out the spring riding season on the right foot. It promises to be a fun, enlightening weekend.

We have two clinicians lined up for this weekend; Windi Scott and Fran Kerik. These seasoned gaited horse owners/trainers will be coaching you and your horse through a variety of techniques you can use to understand your horses' gait, identify elements that are hindering your horses' gait and suggestions how to bring out the best movement in your horse.

Specifics:

- Riding groups will be small with focused individual attention.
- A wealth of knowledge through video is available for viewing when you are not riding or observing. Videos will cover topics applicable to achieving better gait including gait description, saddle fit, biting and much more.
- Videotaping while riding is available so footage can be reviewed with a clinician. Please bring a recording device if you would like to do this.

The clinic is combined with the CRTWH Annual General Meeting, Awards Ceremony and potluck supper on Saturday evening. Please bring a favorite dish and stay to enjoy the meal while getting to know other Walker owners during this meeting.

Hotel accommodation is located nearby in either Sylvan Lake or Red Deer. Parking of trailers is available behind the arena and camping in trailers for the weekend is allowed. See attached site layout for further information and directions to the facility.

For more information call or text Brenda Woodall at 403-771-8247 or thewoodalls3@gmail.com. Space is limited so register early.

Windi Scott

Owner/Trainer Sawhorse Ranch, Mayerthorpe Alberta

I feel that skill as an Owner/Trainer of Tennessee Walking Horses is achieved on an upward continuum, and that I am firmly placed on that spectrum.

I bought my first TWH in 1983 and have been riding and working with them ever since. Over 35 years! I have been involved in every aspect of the breed with the exception of the cruel practices associated with the so called 'enhancement' of gait with chains, pads and heavy shoes.

Through training TWH over all these years, mainly for pleasure and light showing, these incredible horses have taught me many lessons. I have worked with all variance in gait, disposition, and impediment to optimum movement.

I have experimented with different bits, devices and 'gimmicks' and have learned that the true path to gaited partnership is achieved through the commitment of time, attentiveness, and good horsemanship."

Fran Kerik

Owner/Trainer Chrystal Star Ranch, Two Hills Alberta

"I was first introduced to Tennessee Walking horses in 1995, and brought my first mare home a year later. Since then I have bred, raised and trained many TWH's. Over the years I've taken numerous training courses, some on general training, and some specifically geared toward Walking Horses, educating myself on gaiting. I now train all our horses using a combination of natural horsemanship styles that suit each horse's specific needs. We've used our horses for a variety of purposes, mostly to move cattle and trail riding and as time permits, showing.

I have served on the Board of the Canadian Registry of the Tennessee Walking Horse for 10 years, including a term as President. I have embraced the CRTWH motto of Encourage, Educate and Evaluate.

I really enjoy helping owners and riders learn about their horse and love to bring the best out of both."

DIRECTIONS TO Klondike Victory Farms

Klondike Victory Farms is located near Red Deer Alberta on Hwy 20, 7 Km's North of Sylvan Lake.

From Hwy 2 take Hwy 11A to Sylvan Lake and at the round-about turn North on Hwy 20. Go 7 km North and we are on the Left hand side 1/2 km past Aspelund Rd. or

If you are coming from the North you can take the Blackfalds/Joffre turnoff west off of Hwy 2 on Aspelund Rd. to Hwy 20 and at the stop sign (which is 15 km approx.) turn north and it is 1/2 km down the hill on the left hand side. There is a big sign out front and a gate halfway up the driveway.

North

South

Building A This is the main building and it contains:

Indoor Riding Arena

Horse stalls- any empty stall is there to accommodate those who have paid for weekend stabling

- Read the sign on the empty stall door. Some stalls are for geldings only because a stallion may be kept beside it.
- Provide your own feed and water bucket. Tack should be kept in your trailer when not in use.

Washroom - containing toilet, sink, mirror and plug in

Mezzanine level

- Kitchen with fridge, sink, microwave, and coffee maker
- Tables and chairs
- A variety of comfortable seating

Area B

If you are staying in your truck/horse trailer for the weekend park in Area B and use the facilities in Building A as required. This is not a camping spot, just a parking lot, so no fire pits or picnic tables are provided. Portable propane fire pits are allowed.
