SIGNATURE OF OWNER:		DATE OF APPLICATION:	
<p>Note: If animal is not registered, attach a copy of the registration certificate from the sire and dam. Canadian residents: submit form and hair sample to CLRC with appropriate fees) U.S./Foreign residents : contact CLRC for DNA Kit and submission instructions.</p>			
<p>Instructions for Collecting a Good Hair Sample: Collect hair from the mane above the wither . 35-45 hairs are required. Wrap several strands around fingers and pull up. The translucent hair follicles on the end of the hair shaft are required. Do not touch the follicles. You may need to pull several times. Put hair follicles together and secure with tape to a clean sheet of paper. Insert into an envelope labelled with the horse's identity and seal envelope. Do not place into plastic Ziploc bags. Submit with Registration Application.</p>
