## JO KINGSLAND LEGACY

In memory of Jo, her sister Frankie Forster in England, has made very generous donations to the Canadian Registry of the Tennessee Walking Horse and to *Walking Horse News*.

Frankie writes, *"It is over four years now since we lost Jo. It has given me time to think about her life and how she fell in love with those special horses and spent the latter part of her life breeding them and working with them and for them through the CRTWH. I would like to make a donation to the Canadian Registry of the Tennessee Walking Horse & to Walking Horse News in Jo's name"*.

Jo was a dedicated believer in a Canadian Registry for purebred Tennessee Walkers as bred in Canada for Canadian conditions and ideals. She served CRTWH as a Director and as President and was a fixture at 'The Canadian' Futurity as photographer for many years. She & her first TWH, Candy's Bay Lady were recognized as 'Century Partners'.

Jo also became part of *Walking Horse News*, urging me to aim higher than a newsletter, try for a professional breed magazine. She worked hard in many capacities on the magazine and is truly missed.

Thank you, Frankie. We will all remember Jo.
