## "A HORSE TO REMEMBER"

"A HORSE TO REMEMBER", our tribute pages on the Canadian Registry of the Tennessee Walking Horse website, honour special horses and celebrates the horse/human bond. There are now seven stories published on this site, [www.crtwh.ca](http://www.crtwh.ca). In the December issue of *Walking Horse News* is the eighth, all about Windi Scott's gelding, Future's Precious Brick. His story will be put up next on the website. Check it out to read about the other seven honoured.

Your special horse could be there too! For a contribution of \$50.00 or more to the CRTWH Education Fund, the story and pictures of your horse will be permanently displayed on the CRTWH website. You may honour your current equine partner, a special horse from your past, or a horse belonging to a person dear to you. And what a thoughtful and unique gift this would be for the horse person in your life - your wife, husband, mother, father or friend!

Go to [www.crtwh.ca](http://www.crtwh.ca) / Programs and click on 'A Horse To Remember' to see all the tributes of photos and stories.

Maybe *you'll* be inspired to put your unforgettable horse there too!

Windi & Brick

## REGISTER YOUR 2023 FOALS!

The new Schedule of Fees, on the opposite page will come into effect on January 1, 2024. Until then the old fees apply, so register your 2023 babies before December 31/23 for a small saving.

Transfer fees will also be increasing. It is the seller's responsibility to transfer the registration papers - so do it promptly for any horses you've sold

recently. Transferring them within the one month time frame will cost you less *and* doing it right away after a sale means it is less likely to be forgotten. *Marjorie Lacy*
