CRTWH MEMBERSHIP RENEWALS

If you are an annual member or plan to join the association, don't forget your CRTWH membership for 2025 is due by January 1.

To join or renew send \$40.00 to CLRC for a single or family annual membership, or \$500.00 for a lifetime membership.

We are reminding you early because all association fees will have to increase by roughly ten percent on April 1, 2025.

We regret that the increased cost of services makes this necessary.

The current fee schedule will be in effect until then.

STALLION TO GELDING:

A Money-saving Reminder:

If you are selling a gelding that is still recorded on his papers as a stallion, please inform CLRC at the time you transfer the horse to its new owner. The registration papers sent to the new owner will be corrected at no charge to show he is now a gelding.

This must be done *at the time of transfer* to incur no extra charge.

Why is this important? It helps keep our pedigree records accurate, just as sending in notice of an animal's death helps keep our records up to date. You can send your deceased horse's registration papers to CLRC with a note saying when it died. Ask that the cancelled papers be returned to you and request the five dollar credit to your account.
