

Walking Horse News

Volume 3, #2

March - April 1979

Dear Folks,

Spring's here and with it the third annual Stallion issue of the News. Twenty stallions are presented for your consideration, listed, by province, in the order in which they were received. Thank you to all the owners who took time to send in ads. It is only by advertising that a demand will be created for our Walkers.

My thanks to Lynda McNabb & Joanne McDonald for sending in 2 pages of news from the N. Peace area, plus ads and subscriptions. Your help is greatly appreciated.

And finally, to everyone who wrote with news, ads, donations and general encouragement, thank you very much. Without you there would be no News!

Marjorie C. Lacy

SUBSCRIPTIONS

Most subscriptions to the newsletter come due with either this issue or one of the next two. Keeping track of them all and sending a handwritten note on your newsletter takes a lot of time and hasn't worked all that well either.

Therefore, I propose that in future all subscriptions run from Sept. to Aug. All renewals from now on will be for that period so some of you will be getting a couple of free issues and no one will get shorted on their 6 issues. If you have recently renewed for a year, that's fine. We'll get you synchronized next year!

So - unless otherwise noted, your subscription expires with the July-August '79 newsletter and this is your first reminder to renew!

1 year, 6 issues - \$3.00

Send to: Marjorie Lacy

Quiet and good disposition. Nicely gaited.

G. Keillor, Box 290, Vanderhoof, B.C. VOJ 3A0

NEWS FROM B.C.

Mrs. Joan Mattson of Hornby Island recently bought the Walker, Hand-
shaker's Spider, and is busily looking up information on training. He is
a 5 year old that has been ridden but now needs more advanced training.

Wynn Armstrong, Ft. St. John, has been at it again! Buying horses,
that is! She bought 2 Appaloosas while she was down south in Oregon &
plans to bring them up here in April. She also just missed out on a lovely
Walker gelding at a sale down there.

Ms. Joyce Stanley has moved to Vernon where she is working on a ranch
where they deal in horses & cattle. Her boss, Mr. Doug Terpsma, bought
The Coalminer, a TWH gelding, from Evelyn Wocknitz as well as another
one which they didn't have the papers for as yet, this winter. Joyce
sold her colt, Chiquita's Victory, to Bill McNary of Salmon Arm last
summer. His son, Wayne, is doing a wonderful job with this young horse.

B.C. NEWS continued

Mrs. Patterson of Cawston sent an interesting note about her Walking Pony. She bred a 15:2 hand Walker mare to a 12 hand Welsh stallion and the filly resulting from the breeding is now 3 years and just under 15 hands high. She seems to be taking more after her mother's side of the family!

ALBERTA NEWS

New Walker owners and subscribers, Murray & Mari-Anna McCargar, bought their first Walking Horse last August from a pro trainer at the National Amateur Chicken Championships. She is a seven year old mare. In November they purchased Joes Josie693260 (Rapid Joe x Rapid Josephine II) and Murray has spent the balance of the winter making a field trial horse of her. He is very pleased with their progress to date.

Larry Malick of Airdrie wrote to ask how the proposed clinic in the Kimberley area is progressing. I haven't heard any more about it. What do all you folks out there want? Better get in touch with Marge Fabro, S.S.#10, Site 10, Box 15, Kimberley, B.C. VIA 2Y3 if you would like a clinic held there or it will be too late to arrange anything. Also see Laraine Guidry's Suggestions in the N. Peace news re a clinic.

Hilton & Claudia Hack of Calgary are also new subscribers to the newsletter. They own a 5 year old TWH mare in foal to Midnight Jester and her 2 year old filly by HeZa Walker.

Congratulations to the Howes of Ardrossan on an attractive ad in the last Horses All paper. That's what we need to let people know that Tennessee Walkers are alive and living in Alberta! Bill invites any of you who are up their way to stop in for a visit and a look at Koko.

Sue Marsland is looking forward to a busy spring with 3 youngsters to break and one that needs more advanced schooling. (Horses, that is!) With the cold winter we've had, they got in very little riding - but then, who of us did?

Lacys certainly didn't! We have finished 1 room in the house, nearly finished 2 others, Built a hayshed, half finished the roof on the tack shed and faithfully fed the horses every day. But ride - No! That will have to change this spring since we have a 2 & a 3 year old to break too.

SASKATCHEWAN NEWS

John Gardner who trains bird dogs in southern Sask. during the summer writes that he will be replacing his stallion, Flowing Sundust, with a two year old this year. He had seven 2 year olds lined up to look at in February while he was attending the field trials at Grand Junction, Tenn. He hopes Flowing Sundust will go to a Canadian owner but if not, he will take him back to Mississippi to use on his mares there.

Marge Doll extends congratulations to the new owners of Pee Gee Pepper, a black colt out of their mare, Ace, and Sundown Barker by Randy's Mr. Barker out of their mare Midnight Star. Mrs. Shirley Tutte now has Pepper and Mr. & Mrs. Bill Fletcher purchased the black yearling colt, Sundown. The Dolls' 2 mares are being boarded on a ranch near Sonningdale, Sask. Dolls will be buying property in Swan River, Man. in the near future and then the next step is to bring the mares home & buy a stallion.

Howard Francis of Mantario is looking forward to the first foals from his stallion, Ebony's Raven, this spring.

Hazel Paton's 2 Walkers have wintered well and she is hoping for a bit more riding time this year after the fierce winter they've had.

MANITOBA NEWS

Mrs. Irene Thomas has sold her 3/4 TWH mare, Misty, to Mr. John Unrau of Hamiota, Man. Misty is again in foal to Old Glory's Spirit for a May, '79 foal - the same breeding that produced the flashy colt, Sunday Morning Sensation, in '78.

Mrs. Jocelyne Steele writes, "We were interested to see the article by Mrs. Bonnie Brown about her mare, Flash's Dixie. We owned her mother, Wilson's Dixie Stone, the first Walker we bought from Calvin & Maxine Miller. We had a lovely filly off her sired by Sun's Merry Man - Whirlpool Dixie Jo, that we sold to Ed & Marlene Derosiers of Jaffray, B.C. We still have a gelding, Whirlpool Red Flyer, of hers, sired by Miller's Red Flyer, a fire bright red colour much like his sire."

"Congratulations to the Browns on the purchase of Merry Man; he is the only stallion I have ever ridden and tho' only a very amateur rider I had no fears while on his back."

FOAL CALL - A sorrel filly (Zephyr's Monte Ray x Waltztime's Ray of Sunshine) owned by Lawrence Baraniuk of Jasper. March 28/79.

NORTH PEACE NEWS

Joanne McDonald and myself (Lynda McNabb) have been touring the Peace area and have received comments, for sale ads, and standing at stud ads for Marjorie.

The TWHorse has been more and more recognized in this area and doing hard ground work, not only do we have a TWH Plantation class, but have now added the 'Water Glass' class, in our August CHSA approved Horseshow in Dawson Creek.

Chatting with Laraine Guidry of Pouce Coupe, B.C., she would like some feed back on these few thoughts she had. The Silver Spur Galaxy Horseshow in Lloydminster will once again be having Walking Horse classes. What do you think of having a clinic, then and there? It would bring more exhibitors and it is centrally located. Also might not we get one of the people from Tennessee to judge the classes? Another thought is that we of the Peace River District would also be happy to accommodate the clinic. However--wherever it will be held, she had a few other suggestions:

- a) the people coming up bring a horse with them for the purpose of demonstration.
- b) they bring movies of Walking Horses.
- c) that there be a fun show--purpose to learn how to judge a Walking Horse class as well as pick up a few things on riding.

She remarks, our last clinic was a good one but lets make the next one even better! We still have lots and lots to learn! It would also be interesting to find out what it would cost for someone like Joe Webb to come up and hold a clinic.

Penny Wilson of Pouce Coupe, B.C. suggested that we invite CHSA judges, free so that they too might learn more about Walking Horses. A quick cup of coffee with Yogi and Kay Jorgensen of Dawson Creek told us that they were quite pleased with the Walkers they purchased from Bisels in Drayton Valley. But with work and all they felt to give enough time to enjoy the Walkers, they were cutting their herd of Walkers and Morgans to a minimum and you can find their horses in the For Sale column. Yogi made a comment that he hopes the Walking Horse will replace the endurance and enjoyment he had with his Morgans.

Don and Joanne McDonald of Pouce Coupe, B.C. have purchased one of Jorgensen's TW mares, Shadow's Glory #685134. She is black and very gentle, and the makings of not only a good producing mare but a child's horse as well. The McDonalds have a total of 8 reg'd Walkers, one

con'd

½ Walker and 2 grade horses. They feel Shadow's Glory is a fine addition to their herd.

We visited the Earl Linsley family of Groundbirch, B.C. and found their horses wintering very well. Earl is expecting quite a few foals off his stallion 'Ebony Walking Eagle'. This will be their first crop of foals off of their stud and they are quite anxious to see his offsprings. Earl's comment on his stallion was, 'he's the fastest gaited horse we've owned'.

I met two new families these past weeks and have promoted the Walking Horse Newspaper and have 2 new subscriptions. Amber McInnis of Groundbirch, B.C. and Everett Keyes of Ft. St. John, B.C. Amber's mother Phyllis Abel of Groundbirch, B.C. owns a stallion for the stallion directory and the Keyes have a for sale ad.

A bit of interest to Walker owners, Joanne and I came across an item Mr. Denis Short of Pouce Coupe received from his father in Brooks, Alta. It was a souvenier program from the 'High River Rodeo and Annual Horseshow' in 1953. In it was an open Walking Horse class judged under saddle. Trophy and prize money of \$10.00 was donated for 1st place, \$5.00 for 2nd and \$3.00 for 3rd. I knew the Walkers have been shown for years in the U.S. but it's interesting how much progress has been made on Walkers in Canada, from a once small show in southern Alta. to approved shows all over Canada.

Earl Linsley of Groundbirch made a terrific suggestion for the Walking Horse owners in this area. He said it would be nice if all the owners got together and went on an all day trail ride. It would be quite a pleasurable day. That's all for this edition of the newspaper from the NORTH PEACE AREA.

Next newsletter - May-June. Deadline is May 15.

How about some news from you? New foals, horses bought or sold, whatever ! Let's hear from YOU!
