

Dear Subscribers,

Here's the trial run of the new Gestetner 400. I certainly hope it is an improvement on the Spiritmasters used previously!

Have a good summer with your horses, and if you can, take part in some of the activities listed below. But remember - the BEST advertising for a Tennessee Walking Horse is its gait. Just let someone ride that smooth glide and you'll see why the old-timers coined the slogan:

"Ride one today - You'll own one tomorrow!"

DR. WOMACK CLINIC & SHOW - CALGARY, MAY 9 & 10 by Sue Marsland

Rare, old, privately made films of the great Walkers of the Forties initiated the clinic as well as a lengthy discussion of the dynamics of the gait. Dr. Womack's presentation was direct and forthright. Throughout was the message that we never let happen here what has taken place in the U.S.

It was agreed by all that all our horses during the two days would undergo analysis of gait, conformation, manners, etc. by Dr. Womack. The result was a fantastic learning experience. The reasons for the placings in the various classes were explained to the audience as the show progressed. Feedback has been, without exception, highly positive regarding the success of the clinic.

It was very well attended with up to fifteen or twenty horses per class and a large number of spectators for the show. The A.W.H.A. extends its thanks and appreciation to all those who supported the clinic, and especially to those who travelled great distances to contribute to its success.

NEWS FROM BRITISH COLUMBIA

Joyce Patterson, Cawston, wrote to say she has Sunbeam's Molly Bee at home now and the filly is coming along very well. Joyce says, "I ride her all over, by herself and with others. She's got a very nice, smooth running walk. She's not afraid of traffic - goody, goody! I'll be taking her up into the hills as soon as my shoe man gets back." She goes on to say, "A few of us are planning a nice long ride to the first Indian rodeo of the season. (Round trip's about thirty miles.) More than likely I'll take Pride as she's very reliable on the highway and in traffic and she can be tethered. All the apricot blossoms are out now and a few of the cherries and it just smells beautiful out riding in the Valley here."

Pat Van Sterkenburg, Courtenay, writes, "We became interested in Tenn. Walkers several years ago and have three part-breds now. As my husband is planning to semi-retire next year we decided we would like to have 1 or 2 reg. mares in foal, black or sorrel, over 15 hh and good natural walkers as we both have bad backs but enjoy riding. Think the breed is terrific!"

PEACE AREA NEWS by Jo-Anne McDonald

"Don & I just returned from the Calgary Clinic & Show. We found it informative and enjoyable. It's nice to meet some of the people we read about in the newsletter. We had a real good time and the facilities at Williamsons are fantastic."

"We have purchased the bay yearling stud prospect, Secret's Upstart. He is by Secret Venture out of Lady of Bird. He was raised by the Staleys of Washtucna, Wash. They brought him as far as Pearl Tompkin's at Elmo & we picked him up there. We had a lovely visit with Pearl while we were waiting for the colt. We had lots to talk about as most of our breeding stock originated at Pearl's. She is an amazing lady and certainly made us feel at home. We missed seeing her at the Calgary Clinic but hope to see her again some day."

"Here's the foal call for the area as I know it:

- Bob Craigdallie - Chestnut colt, blaze, 1 hind stocking (Beauty's Sage King x Parading Majesty)
- Guidrys - Black colt, no markings (Sur Me Big x Shadow's Flower Child)
- McDonalds - Chestnut filly, star, hind socks (Randy's Mr. Barker x King's Falling Star) April 1/81
- Chestnut filly, star, near fore & hind stockings (King Country Classic x Shadow's Glory) May 5/81
- Bay filly with star (Beauty's Sage King x Little Toot Wilson) May 8/81

Will send along the results of the May 16 - 17 Horse Show for next time. Bye for now. Take care."

MANITOBA NEWS by Darlene Moore

"Congratulations to my sister, Mrs. Ruth Renwick of Coulter, Man., who recently purchased Ebony's Miss Image, a black Tennessee Walker mare in foal to Traveler Snowey W. This six year old mare was purchased from Russell Davies of Duffield, Alta. Wishing Ruth all the best with her first walking horse."

Darlene went on to say that she and Menno Harder of Boissevain are the proud new owners of 'May' (Sun's Ray Honor Ace x Ebony's Queen Bee H.). She is a chestnut filly with a blaze & right hind sock, a full sister to Bee Honor's Autumn Dream.

SASKATCHEWAN NEWS

Howard Francis, Mantario, sent a note with his ad for Ebony's Raven. He included a full page ad showing Raven's sire, the famous Ebony Masterpiece. This fine old horse is standing at public stud for a \$1000 fee.

Lexie Cole wrote, "Thunder's War Eagle will be coming here, to his new home (at Cabri) on April 9. We would like to thank Archie, Alene and Marilyn Staley for giving us the opportunity to own this fine stallion. Our two T.W. mares had their foals in mid-March and everyone is fine (us included!). We sure spent a lot of time in the barn. They're really the talk of the neighbourhood and have had lots of visitors. So, here is what we have; they were born March 18 and 19.

Sorrel colt, blaze & 4 socks (Mack K.'s Cannonade x Knight's Wild Rose)

Black colt, star, snip & strip, 1 sock (" x Brandy Lynn Belle)."

ALBERTA NEWS

Lots of buying and selling going on in Alberta lately. Ellwood Smith, Donald, has two new fillies from Ralph Morden of Handsworth, Sask.; the yearling bay is Midnight Kit and the black two year old is Sun's Special Angel. Russ Davies has sold not only Ebony's Miss Image (see Man. news) but also Sun's Country Sam, 5 year old sorrel gelding, to Jim Arden of Winterburn. 'Sam' is Jim's first walker & we wish them a lot of fun together. Lacys and Gurnetts have bought the sorrel stallion, He'Za Walker from the Gundersons at Cremona. With 8 foundation horses on his papers, this old stud is rich in old-fashioned plantation horse breeding. Jack Gurnett bought a black mare and her colt at Lundgrens' sale - she is Perfection's Twiggy (Perfect Reflection x Merrily Wee Go). I guess the Lundgrens have had the largest single sale of Tennessee Walking Horses ever in this country. They are moving back to the U.S. in July and so had to disperse their Walkers. We wish you the best of luck in your new home, Clark, Rita and Family! Thirty three registered Walkers were listed in the auction catalog for sale May 23. According to a reliable source, prices ranged from \$650 for a couple of yearlings on up to \$2600 for a three year old stallion and top price of \$3400 for the mare, Merrily Wee Go and her foal.

MONTANA NEWS

Also, want to thank Ruth & Ken Hudson for the purchase last year of Snow Deer's Skipper. Thanks again on all the calls on our horses & sales made."
