Cover Photo

The cover picture, taken by Bruno Engler at the Canmore Celebration ten years ago, shows Murray McCargar riding Joe's Josie (Rapid Joe x Rapid Josephine II) to demonstrate how field trialers keep their dogs in condition by "roading" them from horseback. The dog is Murmax Brass Lady (Tina).

See Murray's articles on pages 7 and 23.

Dear Subscribers,

Whoever made up the song about the "hazy, lazy, crazy days of summer" really got it wrong about "lazy". He probably didn't live on a farm, have horses or put up hay. In between haying, thunderstorms that knock out the power (and thus the computer) and yes, visiting, I must admit that *WHN* is running late.

The Price Survey on page 21 shows some interesting trends. I was surprised to receive only about two thirds the number of responses we had in 1984 since I'm sure the number of Walkers in Canada has more than doubled since then.

I hope everyone is having a good summer and finding some time to ride. Please find time to write to us too with your news, views and ads, and don't forget the pictures! We're looking for cover photos again for next year as well as pictures to go in the magazine. Let's hear from YOU.

ALBERTA WALKING HORSE ASSOCIATION - Northern Division

by Lyla Goin

We have had a busy spring. On May 14-15 we enjoyed an excellent clinic at Coulee Stables, Millet with Ann Kuykendall. Ann is co-owner/trainer at Windy Hill Walkers, Muskogee, Oklahoma. We very much appreciated the help of TWHBEA in the sponsorship of the clinic.

Ann Kuykendall clinic at Millet, AB.

Ann shared her 30 years of Walking Horse experience in a basic, patient style. We had 16 horses/riders and 14 observers; one horse was brought in and ridden there for the very first time; two riders had just purchased their first horses, while several others were working on improving the canter. The development of the running walk was a goal for all the horses as this was the main focus of the clinic.

Ann also gave instruction on fitting of tack, equitation, etc. and answered many questions. On Saturday evening we had a shared supper in Millet and watched videos that Ann had brought with her.

Sunday noon session included a demonstration of Equine Dentistry by Linc Drynan. We learned the importance of regular dental examinations to keep our horses' teeth healthy and prevent problems affecting nutrition and comfort in wearing the bit. The demo included pulling some Wolf teeth and removing some caps.

Linc also gave a demonstration of Round Pen Training, assisted by Frank Lorenzy. A horse was brought in and taken right through the steps from the beginning to being saddled and ridden. This was very impressive. (The horse continued to be comfortable being handled & ridden after the clinic.)

Ann helps Delores Boeyenga adjust her mare's bridle

The two days were packed with fun and information. We concluded with a supper with Ann at Nisku Inn, a question session and a preview of the clinic videos. We're all hopeful that we'll be able to hold another clinic next spring.

TRAIL RIDES

Club members have been enjoying trail rides in the Kootenay Plains, Blackfoot Grazing Reserve and Kananaskis.

PARADES

We decided to get into the Parade scene! With Bob Benner (of the Sheriff's Posse, Edmonton) encouraging and advising us, we chose Ponoka Stampede Parade as our debut. Val Lorenzy designed a very nice banner and we chose to demonstrate the versatility of the TWH. Rosemary Jordan on "Delight" followed the banner wearing her General Lee costume complete with the stars & stripes flag; Leah Goin rode sidesaddle on "Angel" in a beautiful white gown, accompanied by her father (Gary) in saddlesuit on "Echo"; Western riders were Lyla Goin on "Legendary Pride" and Frank Lorenzy on "Cally"; Val Lorenzy driving Uphill Gypsy Bay completed the group. We were rewarded with a third place plaque and are

planning to enter the Klondike Parade in Edmonton on July 21.

Leah Goin in her gorgeous white gown, aboard her black mare Innocent Angel

ALBERTA NEWS

ANITA DUNCAN, RAYMOND, writes, "We have discovered that between shift work, bad weather and reality (yes, the lawn has to be mowed), we barely have time to ride one horse each. Hence, the mare for sale."

"There's lots going on around here. We've bought a big mare for Lake from Sheila and Glen Reum of Viking. This was after we cancelled a trip to Oregon to look at Tennessee Walkers. (Thanks to Jackie Kalberer, Marjorie Fabro and the Stumphs for being so understanding.) Calta Midnite Velvet is a lovely horse and Lake is finally getting consistent good rides. Sheila, we think you made a mistake but we're glad you sold her to us!"

"Our friend and riding instructor, Rod Bullock, broke the filly that's for sale. He's a devoted Quarter Horse person but has an open mind and loved riding the filly. He was more than happy to put on a clinic for the Chinook Club. I think we all had fun and learned lots. Rod was very taken with the horses and people of the club."

"We received letters and photos from Arianne Baker (yes, we are jealous of the filly) and Marsha Wickman (great stallion) and really appreciate the updates on the horses. We'd sure like to meet the youngsters first hand. We are taking our mares to be bred this week so by the time this letter is printed we will, I hope, be well on the way to babies of our own."

"Included is a cheque for a subscription for our friend, Ed French, who has wonderful, very large Walkers, but not much contact with other owners. We know he will enjoy ...cont'd>

SHOWS

The Red Deer Classic was held June 18/19, with Judge Gail Lampe of Fulton, MO. There was very good support for the 27 TWH classes. Thank you to all the class sponsors, and to the American Saddlebred Club for organizing the show. We were also pleased to receive compliments regarding the good sportsmanship of our exhibitors. (Results will be printed when we receive them.)

Northern Alberta Parade Group

at their first parade

Ponoka Stampede

Alberta News cont'd...

Walking Horse News as much as we do. Bye for now and happy riding this summer!"

From GRANT KIHN, SLAVE LAKE, "I sold Kihn's Firewalker Belle (Sundance Lad x Uphill Firefly) at an auction sale in Westlock a few weeks back. I was very satisfied when she brought top money of the sale, bringing more than a seasoned rope horse and some other good stock. She will be three in September and was green broke only. Walkers seem to be catching on more and more in this neck of the woods. Everyone I've talked to lately knew something of Walkers, and all of it good."

"I bought a Welsh Pony mare in early spring at an auction sale in Morinville for the kids to ride. I think she will work out well for them and I'll breed her to Kihn's Ace, my stallion, this spring. For all the kids are going to ride she can raise a foal at the same time."

"Ace is going real well under saddle now. He is a real pleasure to ride and is great on the trail (for a green stallion). His breeding season started quite late last year so I haven't any foals to report as yet."

"I heard an interesting complaint from a fellow recently. He sold his horse because it walked too fast! I'd never really considered that a fault in a horse but I guess there are some people who want to be at the back of the line; after all, someone has to be!"

MARY HENDERSON, TEES, sent along this note, "Our summer riding is in full swing now. I ride Rusty (Shadow's Laddie), my Tennessee Walker, and my grandchildren ride American Walking Ponies (and due to a shortage of them, we also use other horses). Sometimes there are eight to ten riders going out for a morning's ride. We check the cattle and follow the shady paths through the trees and over the hills. It's a joy to have my children and grandchildren still riding with me."

"When our children were young they all had their own pony and we started at two years old. We went to all the horse shows within about a fifty mile radius of home. Our children were also in 4-H with their mother, the 4-H leader and teacher."

"When the children were all grown up, I continued on as leader of the Tees Country Riders until I had put in 25 years. Then I retired. Kids and horses have always been my favorite part of life."

"I still have one two year old and three yearling Walking Pony geldings for sale. One yearling, a pretty palomino gelding, went to Cawston, B.C. to Gordon and Beverley Helman. Another gelding American Walking Pony was sold to Tom and Shelly Zelinka of Blackfalds."

"I wish everybody a beautiful summer of horses and riding!"

At UPHILL FARM, EDSON, we've been busy with horses and haying, but have had several visitors too. Don and Jo-Anne McDonald stopped in one evening and we had a good visit. Christine McKinnon and Judith Franzky of Calgary came up one weekend. We looked at horses and horse videos and talked horses 'til the cows came home! Then another day when we had just come in for a quick lunch between loads of bales, Bill Howes of Ardrossan came walking up the driveway leading his newest TWH acquisition, an ivory coloured colt (McLaren's Robert x Chiffon's Amber Dream). Bill bought the yearling from Suzanne Bayley of Wildwood. The colt is becoming a well travelled young fellow since Bill takes him along on any horse hauling journeys when the trailer has room.

DAWN CORRIVEAU, ATHABASCA, phoned to congratulate Dawna and Perry of Calgary on their purchase of Doc's Wild Joker, a three year old

Linc Drynan takes Pride's Delta Gem through step one of her "Round Pen Training" at the NATW clinic in Millet, AB. see p.3

TWH gelding by Laddie's Stormy Doc out of King's Redwing L.B. Dawna and Perry are also the proud owners of their first born TWH filly, Minnie, by Chapie's Topper out of Cadillac's Calais (Jo Jo).

Dawn has bought a mare from Illinois, which will be coming to Canada after her foal is weaned. She's a daughter of Ebony Masterpiece out of a Midnight Sun daughter, and she's in foal to Power's Bright Light for '95. Dawn also said that Bruce, Betty and Wendy Burke of Westlock have purchased a bay filly from Tennessee, so we'll be looking forward to hearing the details from them.

From VERNON OAK, RIMBEY, "Have been meaning to write for some time... Last year I bought 9 colts from Les Young at Lac La Biche. I now have two 3-yr olds broke, three 2-yr olds started, and one yearling. I re-sold the other three."

"Last August, my roan gelding flipped a rock up which cut a tendon and took bone out of the splint bone just below the hock. This happened while we were riding in the mountains. We took him out right away to Young & Crawford's Vet Clinic, south of Red Deer, where he was operated on. Thanks to them, after 5 months of confinement he is himself again with only a blemish and slight enlargement. I found Drs. Young & Crawford to be very personable people and exceptionally competent. I would recommend them

very highly for any horse problems you may have."

"I am very pleased with the Walker breed. They are the most pleasant and intelligent horses I have ever worked with."

LYLA & GARY GOIN, CLEAR CREEK WALKERS, MILLET, would like to send a Welcome and Congratulations to Hans and Jean Ryffel on their purchase of Bopper's First Edition ("Eddy") and Johnny Reb ("J.R."). "We welcome Hans and Jean as neighbours as well, and look forward to many rides together."

FOAL CALL

COLT (Northfork Sky Walker x Jessie Dee) Solid red. Owned by Jean Rempel, Rocky Slopes Farm, Winfield, AB.....

FILLY (Answer to Prayer x Deal's Little Kadee) Bay. Owned by Donna Edwards, Whitecourt, AB.....

MORE ABOUT THE COVER PHOTO...

by Murray McCargar

In this particular demonstration, a dog is being "roaded". Roading accomplishes two things:

1) Firstly, a young pup is placed on the end of a check cord which is fastened to the saddle. This develops a "windshield wiper" pattern in the young animal for future hunting. Dogs will work from side to side and in front of the handler so a definite hunting pattern is established.

2) To get a dog in shape or just plain exercise, the dog is "roaded". The mathematical ratio is approximately 4 to 1 - "roading" the dog for a mile is equivalent to a 4 mile run. Often several dogs are "roaded" together as competition will make them work that much harder.

The horse was originally used for transportation. However, as the horse became more accustomed to hunting, field trialing and dog training, it was apparent that these horses pretty much took over the dog handling duties. Similar to a Quarter Horse cutting cattle, these horses will handle a dog in field trialing with very little instruction from the rider.

This particular horse (Joe's Josie) was a line bred Allen mare with the Foundation stock of Hunter's Allen F-10 six times, Roan Allen F-38 four times, as well as the fountain head - Allen F-1, in her blood. She was born and bred in Montana and shipped to Canada with a foal at the age of 7 years.

Joe's Josie was a green broke range mare with very little handling, until purchased by Murray McCargar when she was 9 years old. She was immediately put into an extensive training program and within six weeks she was working dogs, ground tying, and you could fire a gun from her back. At the time of this demonstration she had been used exclusively as a dog horse for 5 years and had proved to enhance the Tennessee Walking Horse breed as she knew her job well. She never kicked or stepped on a dog or let her rider down in a Field Trial - she was all heart and put everything she had into the competition. She was gentle enough for a novice rider and spirited enough to keep an experienced rider on edge.

Occasionally, a dog will be injured or become sick while in competition. There is usually only one way to get them back to medical attention. This mare carried many a sick or injured dog back to camp. Another reason perhaps, why the Tennessee Walking Horse has become the Field Trialer's horse. 

MANITOBA NEWS

DARLENE MOORE, BOISSEVAIN, writes, "We have been showing Majestic's Streaker, Streaker's Angelic Secret, Streaker's Angelic Sierra and Streaker's Special Mystery at the summer fairs. They have won all first and second placings in all their classes against all other breeds of horses."

"I have three horses that drive in carts now. Fantasia, Secret and Sierra all perform beautifully in harness."

"We are taking four horses to the Annual Manitoba Light Horse All Breed Show on July 23 and 24. Looking forward to it. I'll write later with news and results from the show."

From RUTH RENWICK, MELITA, "I am enclosing an ad for two of our horses. I should have advertised sooner but I have trouble deciding to part with any of my "friends". The gelding is a big fellow but extremely well gaited. He was used by my eleven year old daughter in 4-H this spring. As he went around the ring you could hear spectators comment about how smooth he looked. Keep up the good work."

ONTARIO NEWS

From JOCELYN BRADY, THUNDER BAY, "A quick note to let you know I have sold my beautiful bay yearling filly to Peter Politis of Cochrane, Ontario. Peter owns a big black stallion by the name of Blue Gunsmoke and plans to eventually increase his herd. Peter being a newcomer to the TWH breed, I'd like to welcome him into the world of Walkers and the best way I know to do that is by sending him a subscription to Walking Horse News."

"I'm attending a clinic tomorrow at the Tenkula Farm in Nolalu. The clinician is Bonnie Peterson of Cloquet, Minnesota. I'm looking forward to getting some tips on squaring up a very pacy horse. I'm sure you will be notified on the good information we will be fortunate to share."

From the W.H.A.C.E. SUMMER NEWSLETTER, sent by Ruth Vdovich, Pickering, "Our second annual clinic was a great success. Bill Reed shared many great training tips with us and captivated the spectators with his wonderful Southern style charm. During the morning session a young horse was taken from unhandled to mounted and ridden,

while the afternoon was devoted to the six horses present and their riders. With the help of Bill's counsel and Marilynne Orr's wonderful hands-on genius, the riders all improved their abilities and the performance of their horses. The spectators were very enthusiastic and many commented on how much they had learned."

"Again the TWHBEA co-sponsored our clinic by paying the air fare for our clinician. Bill kindly donated his time and expertise in exchange for Marilynne's air fare."

"After dinner, Marilynne gave a talk on bits and biting that was much appreciated and really needed."

"Good wishes to Dianne and Ian Green on the purchase of their new farm in Port Perry. For anyone in the Beaverton area, Jan Holder has opened a Tack Shop. Joanne Lederer of Mount Hope, ON is accepting TWH for training."

WHACE is booked in at Woodbridge Fair on Monday, October 10 and Elmira Fair on Saturday, August 20. Anyone who can help out or enter their TWH please contact Sandra Hendrickson (416)259-1348 (Woodbridge) and Jean Graham (519)664-2367 (Elmira).

RACHEL POULIN, HALLEBOURG, writes, "I wish good luck to Dawn Anne Metsala, proud first time owner of a Canadian Tennessee Walker, a beautiful four year old buckskin gelding by the name of Shaker's Go Boy Bolero, sired by Shaker's Calypso out of Uphill Snowbird III. Many happy trails, Dawn, and have fun. Enclosed is a cheque for Dawn's subscription."

BRITISH COLUMBIA NEWS

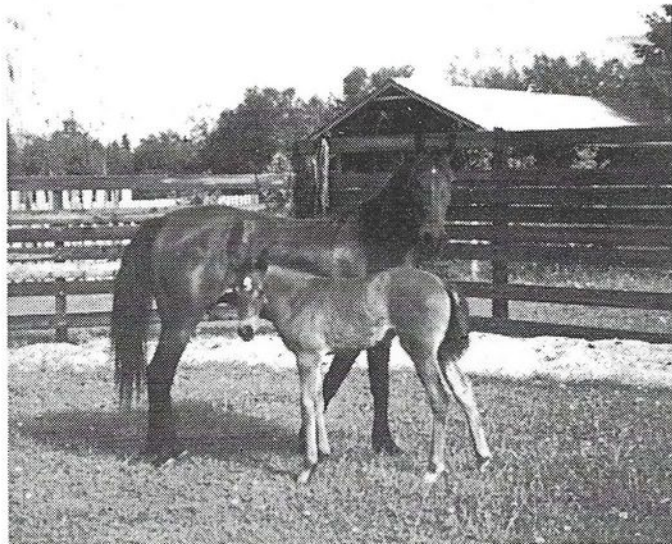

FRAN THOMAS, PRINCE GEORGE, writes, "I was recently at a friend's house and saw their magazine. I really liked the issue I saw and would like to subscribe. We have two Walkers now, a bay mare and a black stallion. We hope our mare is in foal now to our young stud. It will be great to read about other people with Walkers and be informed by your issues."

From ULLU ZURBRIGGEN, MARA, "I really enjoy reading the WHN from cover to cover. Hot weather has finally arrived and like everybody else, we have to get the haying done between clouds. This April we had three fillies, one a TWH. 5J's Doodle Bug has a beautiful filly with a little star and

left hind sock. We call her Zurbriggen's Doodle Bazooke. She's by McLaren's Robert, a buckskin stallion. The claybank mare we bred this spring to Boothill's Sundown (Shaker). He is now 18 years young. We purchased him from John Agar this last March. He is still walking away like a young man. We are already looking with great anticipation to next spring's foal crop. Arrow's Boy Trigger, our two year old cremello stallion, has been bred to a few mares. He is very, very mild and gaited. Colour is promised. He will stand to outside mares next spring."

"Shaker's Silene, a four year old mare we bought from Helen Williamson is doing well and getting used to the cows. Ramblin Star Walker, a two year old chestnut filly from Sheila Holtz, settled down well and I am just starting her. She is very sweet. Nugget's Summer Rancher, a two year old chestnut gelding, is developing into a handsome going tall boy. He is still a little shy but learns quickly and has a nice gait."

"WE hope everybody has lots of good riding this summer."

Mare and foal at Zurbriggen's - "Doodle Bazooke"

BETTY MOTHERWELL, QUESNEL, says, "I miss the News but am very busy setting up a wilderness trail network along the Blackwater River, with all its scenic and cultural values. My new Active Living Program!"

DORATHY NORD, QUATHIASKI COVE, sent this note with her renewal, "As usual I'm very busy and have delayed my renewal. Now it's time to get the hay in as soon as we get steady sun. I had two fillies May 11 and 18. That brings me up to nine

Walkers, four of them fillies from Sound of Invasion. I'm very happy with them all. The hard part is talking myself into selling some!"

"It seems that less people are listing a price in their ads now. I wish prices were there to give an idea of what people are asking without having to phone all across Canada! I look forward so much to this little mag. I hope I've not missed one already. Best of luck to all the rest of the hay farmers /horse breeders out there! Bye for now."

From LINDA CHRISTIE, BURNS LAKE, "Please renew my subscription for two years. I would hate to miss a single issue. I always enjoy it and read it cover to cover. I especially enjoy everyone's letters because I'm not very good at writing to people so the WHN keeps me in touch with friends and acquaintances."

"We have had a busy year as always. I'm still trying to shoehorn in a little riding time. I bought a Paso Fino gelding from Debbie and Dave Smith for my six year old daughter. He's just the right size and a real sweetie pie."

"We had to make the tough decision to castrate our three year old stallion. He suffered a severe bout of orchitis last year and according to everything we can find out on it, he is very unlikely to be packing any bullets. We had bred him to one mare last year but unfortunately the foal did not break the birth sac and although she still had a very strong heartbeat and we attempted artificial resuscitation (not easy on a horse) for about an hour, she just never started breathing on her own."

"We have one other foal this year and she is doing very well. She is by Mack's Trail Rider out of Beauty's Breezy Bay M. She is chestnut with one white sock and a star."

"Louise and Murray Heagy of Southside, B.C. purchased Starmack Emily, a yearling filly, from us in June and we hope that she will bring years of pleasure to them."

WEST COAST TENNESSEE WALKER CLUB

by Tamara Storozuk

Just dropping in a report on the WCTWC. We've had a few events this year. In March we had an organized trail ride and it went well, considering the weatherman said we'd be rained out! As luck would have it, the rain stopped long enough to complete the ride.

In April we had a gymkhana. Eleven riders came out and had a blast. Only two non-gaited and

one Paso Fino. The weather was fantastic, with deer frolicking on the hillside. Senior Hi Point went to Sun Dust Lady and Tamara Storozuk, Hi Point Senior Reserve to Go Boy's Diamond Chief and Helmut Penner, Junior Hi Point went to A Touch of Pride ridden by Vanessa Tonn, and Hi Point Junior Reserve went to Nuts About Raisins and Elisha McBurney.

May brought the annual spring clinic. We held it at Kentucky Blue Stables. Our clinician was Phil Thompson of Olympia, Washington. Everyone learned a lot and found out about minor problems with gaiting our horses. We had excellent demo horses to learn from. Thank you to all who attended.

In June we had another gymkhana. All who attended had a very fun day. (Thank you, Dave.) We had no juniors this time. Senior Hi Point went to Sun Dust Lady and Tamara Storozuk and Reserve went to Lila and Thor.

More of our coming events are the August 14 and October 16 Gymkhanas and the October 1 and 2 Allco Overnighter and Ride B.C. Day. See the Coming Events column for details.

PEACE AREA NEWS

by Jo-Anne McDonald

Greetings from the mighty Peace. There has been some horse movement in this area this spring. Jayne Walker of Dawson Creek has sold the three year old black mare, Royal Class Crown Jewel (Go Boy's Crown Royal x Sue's Walking Eagle) to Kathy Ireson of Tumbler Ridge, B.C. Kathy is a first time Walker owner and I'm sure she'll be singing the "Walker praises" as soon as she and Jewel take to the trails.

Jayne also competed in our local competitive trail ride in July and was Reserve Champion in her division. Not bad for a first time for her mare, Royal's April Angel. Angel has the disposition that makes an excellent competitive horse. Angel is out of Sue's Walking Eagle by Go Boy's Crown Royal.

McDonald Farms has sold the sorrel gelding, Dream Nipper DFS (Dressed for Success x Master's Misty Dream) to Maxine Gordon of Dawson Creek, B.C. Go Boy's Gambler (Go Boy's Crown Royal x Sage King's Diamond) is a black yearling stallion that will be living with new owner, Rick Johnson, in Mayerthorpe, AB. We wish both owners the best of luck with their new horses.

NEWS FROM OUR U.S. SUBSCRIBERS

GRACE LARSON, FORSYTH, MONTANA, writes, "I'm enclosing a picture of our stallion, GLL'S Sun Chief and our mare, Tegun's Mt. Fawn, with their foal. With their bloodlines this little filly goes back to Last Chance 12 times. She is very well gaited and so easy to handle."

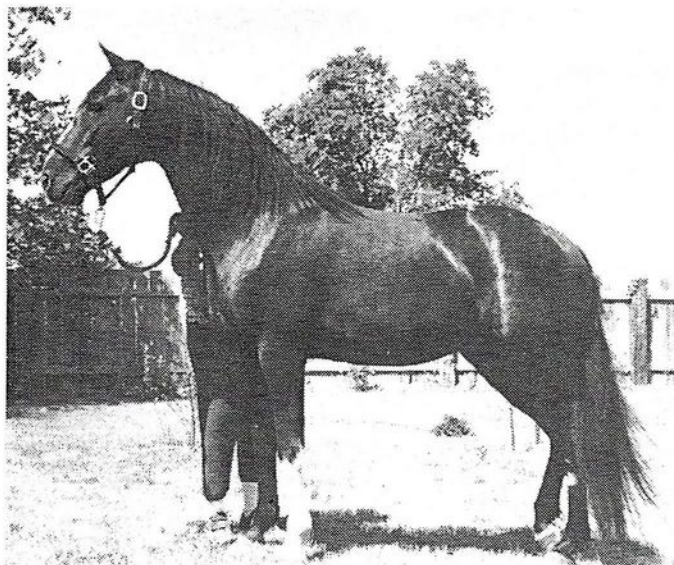

Tegun's Mt. Fawn and her 1994 filly, Chief's Mountain Honey

"We bought Chief two years ago from O.V. McCurry of Trego, MT. Chief is by Sun Wall MCC out of A Spiced Sundae MCC. GLL's Carbon Copy, Silvertip-Rickey, Midnight Sun and Chief O' Chiefs are in his bloodlines. Fawn has Silvertip-Rickey, Midnight Sun, Ebony Masterpiece, and both she and Chief go back to Black Beauty Allen and Richardson's Honey Chile. We are pleased with his first foals."

"This has been an excellent year for horse sales for us. We have sold a three year old TWH mare, a two year old NASHA gelding and a yearling NASHA filly, a red bay filly foal that's registered NASHA and a yearling bay TWH gelding. The three NASHA horses are out of our unregistered buckskin mare by registered TWH stallions. The red bay filly is by Chief. I hope others who are selling horses this year do as well. We have only the little paint filly foal left to sell and next year we will be down to the '95 foals."

"Yesterday we took the two 2 year olds, the gelding and our King Pin filly (out of Tegun's Mt. Fawn), and went to the Custer Forest to ride. The

GLL's Sun Chief, four years old

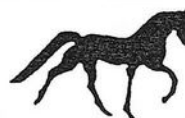

day was enjoyable and our two young ones did well except when they saw cows! We don't have any cattle so as far as they were concerned, those cows could have been bear! We were finally able to pass a herd in the road. What made it even more difficult was the cows' curiosity towards our dog. They would come towards him and both horses thought they'd be eaten for sure. Our old dog is now almost eleven and he can no longer keep up with Walking Horses. He was so tired that mud bogs were a welcome rest and cooling stop for him. From now on we will have to take him on short trips only even though he will be very sad. He loves it when we saddle the horses; he gets all excited and is ready to go."

"The weather conditions here spell drought. After last year with so much rain, this is hard to get used to again. We had lots of rain this spring and the grass and hay got off to a good start so the pastures look good."

"Enclosed is an ad for Honey and our subscription to WHN. We really enjoy it." U

SASKATCHEWAN NEWS

HAZEL PATON, OXBOW, writes, "Here's my subscription renewal cheque. And I have some news too. I now have 3 Walking mares, Sun's Misty Dew, Quest and my new mare, Jeune Fille Dawn, a beautiful dark chestnut with bits of white on her rear feet and a spot and faint smudge on her face."

"I've ridden Quest a couple of times this spring but right now she's providing much needed company for dear old Misty who is now 27! I'm hoping to go for a ride or two with my daughter in law with the two younger mares. Wanda has a big palomino but he's not living here so it makes it awkward to get him two or three miles just for a short ride. Roads are the only available riding trails and they are busy, near this silly Alameda dam as we are."

"Anyway, J.D. as the chestnut mare is called, was the one Debbie Reynolds had for sale in the March/April News. After lots of calls and a visit up there, we bought her. Then more time elapsed while my men tried to get the seeding done. Two weeks ago today, June 22, Keith and our son met Debbie on Hwy 11 near the Regina Beach turn-off, and J.D. moved from Debbie's trailer to the one bound for Oxbow. It was so wet for days that I didn't ride for over a week, but since then, in between rains, flies and mosquitoes, I've had several rides out in the fields (the crops are too young yet to be harmed). J.D. is a beautiful animal, older, it's true, but so far we've had no problems. I do have to find a place to "get aboard" from and for landing again."

"The mare originally came to Canada with Quentin Bybee of Missouri, then spent many years at Mabel Weston's and more recently went to Debbie's. Debbie wanted a little different type of horse for the drill team she's in. I know she hated to part with J.D. but a good home here is assured. Quest is pretty this year and loves to "visit" with us when we go to the nearby pasture."

"Steve Puto of Hafford phoned me that Glory's Black Queen, purchased from me a year ago, now has a lovely chestnut filly."

"Yes, I'd like to see colors of sire and dam put on the pedigrees. When we had Arabs years ago there were color abbreviations behind the horses' names. I probably won't be raising any Walkers but I think colors would be very informative for those who are breeders."

From LEXIE COLE, CABRI, "I'll send along a

bit of news with the ad. We have had four foals so far, with one more to come in mid August. The lit-up mare that I bought from Darlene Krauss of Wheatland, Iowa, last fall is heavy in foal to Darlene's very good stallion. Squeaky Sneakers. We are all anxious to see what we get; it should be a very colorful package.

Our foal call is as follows:

COLT (William's Kodiak x William's Breeze) Sorrel (roan?) with a strip.

COLT (William's Kodiak x F88's Peaches and Cream) Chestnut, star, snip, hind sox.

COLT (William's Kodiak x Streaker's Lady) Black
FILLY (F88's Merry Minstrel x Little Sidney) Chestnut with star.

We have had lots of moisture this year; everything has been green and lush. However, last Sunday, July 10, we had a hail storm and were completely hailed out. We had hail piled up two feet deep on our deck. I was really worried about the horses but no one ran through any fences. The cows and horses were very spooky after the storm. I am sure glad that we're not in an area that gets lots of hail storms - this is the second one in the 22 years we have lived here, so guess I can't complain."

"We have had lots of calls about horses. Of course, everyone wants a broke one. A broke Walking Horse seems to be a hot commodity!"

"Time to sign off. Have a good summer - what's left of it."

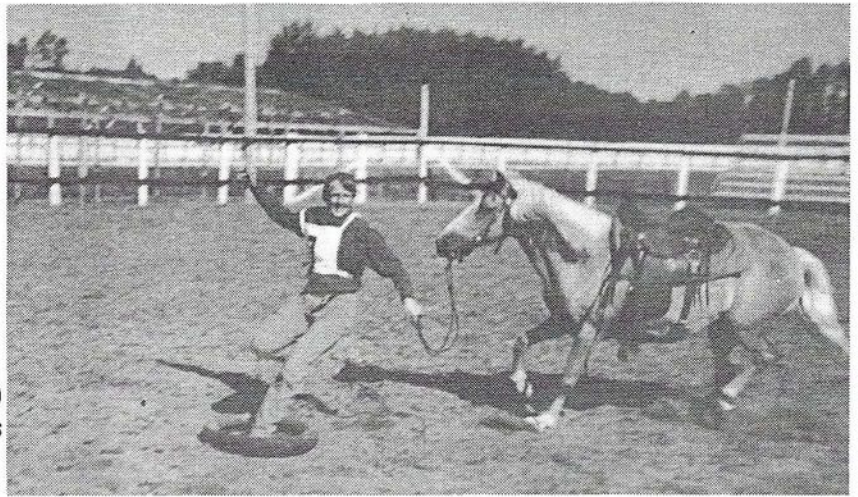

JEAN RITCHEY, NEILBURG, writes, "Just a few lines this rainy morning. We don't have much "horsey" news. Last year's feed didn't seem to have the food value it should so our pair of "roly-polys" slimmed down a little. I think they have put it all back on since they went to pasture. Nobody has ridden them in ages. Stan had a bad fall the first week in March. He was cleaning snow off the roof and slipped on ice, and he and the ladder crashed down on the cement pad."

"Anyway, to make a long story short, he had a compression fracture of a vertebra and was very lucky he's not in a wheelchair. Spent two weeks in hospital. He's done well but now the injured muscles are bothering him. Our son, who lives in B.C., came home for the first week in May and they got the crop in."

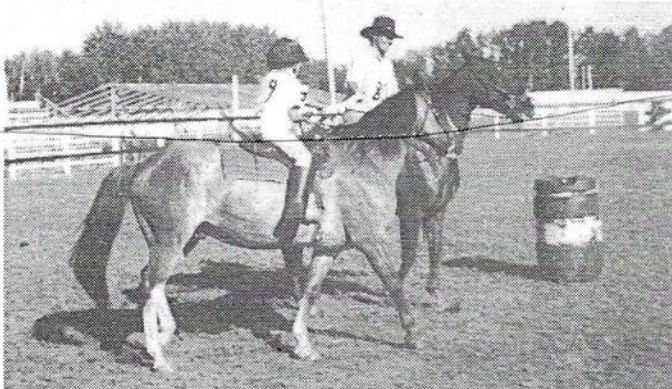

"The Middletons had a wagon trek over the long weekend with quite a few riders and tents but only three wagons. Hard to round up everyone to get away at the same time." 

A
RECORD
BREAKING
FESTIVAL !

Michelle Forsyth with Diamond's Sunshine (AWP)
claims the last tire to win Musical Tires

The 9th annual CATW Festival of the Gaits broke all previous records by attracting no less than 29 entries (27 Tennessee Walkers, 1 American Walking Pony and 1 Halfbred-TWH). There was wonderful participation in all the events - I think everyone had a go at everything - and it was just a perfect day weather-wise.

Delsey Derby - Northfork Graduate (L) & Northfork Woodstock

The Champion Hey-Day Horse with 79 points was Northfork Woodstock owned by Miles Stern and ridden by Joanne Stern.

* * * * *

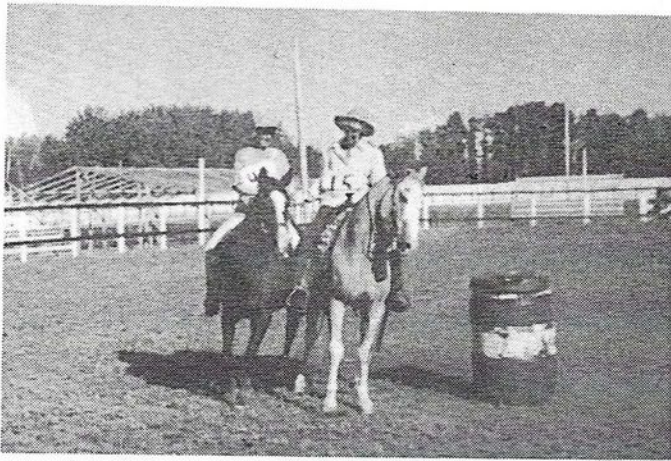

The following horses (listed with their owners or first riders) all took part in this tremendous fun day at Tees Rodeo Grounds, AB.:

Jackson's First Prize, N.Levangie
Topper's Prince, C.Levangie

Dust's Shadow, D.Sigurdson
Irish Coffee, R.Bannister

Shirley sorts out the glasses of water after they had been carried around the half mile race track...

A perfect Delsey Derby ride by the ladies... A Touch of Classic (L) & Northfork Rebel Leader (R)

An awkward moment for the men in the Delsey Derby... Kelsey's Midnight Beauty (L) & Irish Coffee (R)

Many thanks to our trophy sponsor Realty World-Patrician, Red Deer, our judge Shirley Wesslan, our announcer Jim Gormley and our caterers Jim & Connie Gormley. The Free Draw for a 5 Day Pack Trip for Two donated by Chimney

Creek Outfitters, Edson was won by Pat Bannister of Walkaway Farms, Mirror, AB. The Bannisters will be leaving for their well-earned holiday next week and I'm sure they'll have some stories to tell us! *Central Alberta Tennessee Walkers*

TWHBEA MEMOS

STALLION REPORTS - Due in the TWHBEA offices by October 15. Write or phone for the proper forms; a list made yourself will not be accepted. TWHBEA, Box 286, LEWISBURG, TN 37091 (615)359-1574

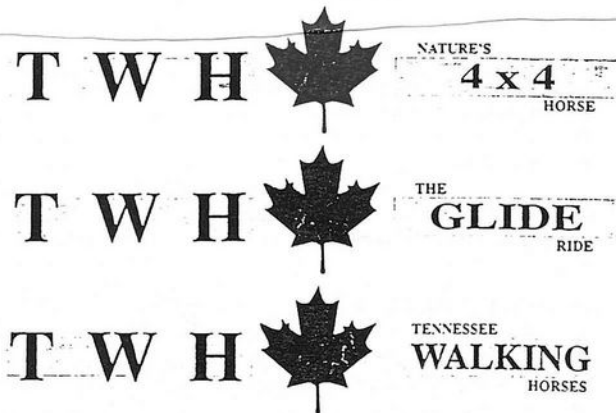

BLOOD TYPING - Foals born this year must be blood typed and their parentage verified before registration papers are issued. That means that both parents must also be blood typed. If you want to get your blood typing done by the Canadian lab at Guelph, DO NOT order your kits from Tennessee. Phone or write for kits from Mann Equitest, Inc., 335 Laird Rd., Unit 4, GUELPH, ON N1H 6J3 or phone (519)836-2400. Cost last year was between 45 and 50 dollars Canadian. Cost of the kits from TWHBEA is 50 dollars U.S., roughly \$70 Canadian, plus you have to send the blood samples across the border.

COLOUR ON PEDIGREES - Quite a few people have now written to say that they would like to see the colour of sire and dam added to the TWHBEA pedigrees. Several years ago the TWHBEA stated that they were going to do this as soon as the computer program was written to do it. However, nothing has come of it and Bob Cherry, Executive Director of TWHBEA, said he had never heard of it, and that I should take it up with the Breeders Committee Vice President Phil Snodgrass. So, I will do that and report back to you about it. ☺

SCHEDULE OF FEES
Effective July 1st, 1994

Fees are based upon postmark of the application and the membership status of the person making the application.

1. MEMBERSHIP

a. Full Membership (Canadian individual, Canadian family, Canadian Corporation, Canadian Partnership) voting, member fee schedule applies.....	\$ 15.00/yr.
b. Individual Life (Canadian individual) voting, member fee schedule applies.....	125.00
c. Youth (Canadian individual, under 18 years of age) non-voting, member fee schedule applies.....	10.00/yr
d. Associate (individuals, organization, groups) non-voting, non-member fee schedule applies.....	5.00/yr

2. REGISTRATION OF HORSES NOT ALREADY REGISTERED WITH TWIBEA

	Member Fees	Non-Member Fees
a. Within 6 months of foaling.....	\$20.00	\$ 40.00
b. After 6 but less than 12 months of foaling.....	\$30.00	60.00
c. After 12 but less than 24 months of foaling.....	\$125.00	250.00
d. *After 24 months of foaling.....	\$300.00	500.00

**Subject to approval of Board of Directors - non-refundable fee of \$125.00 if application is rejected.*

Registration with TWIBEA is not required if sire and/or dam is not registered with CLRC. Just send a photocopy of both sides of the TWIBEA certificate of the sire and/or dam with the application to register the foal.

3. REGISTRATION OF IMPORTED ANIMALS (also registered with TWHBEA)

	Member Fees	Non-Member Fees
Fee	\$ 35.00	\$ 70.00

Applications must be accompanied by a photocopy of both sides of the TWIBEA certificate and a copy of Canada Customs documents stating that GST has been paid at the border.

5. TRANSFER OF OWNERSHIP

	Member Fees	Non-Member Fees
a. Within 1 month of date of sale.....	\$ 10.00	\$ 25.00
b. After 1, but before 3 months of date of sale.....	20.00	40.00
c. After 3 months of date of sale.....	50.00	80.00

6. ALTERATION OF CERTIFICATES ISSUED

	Member Fees	Non-Member Fees
a. Change of Colour.....	\$ 10.00	\$ 25.00
b. Change of Gender (gelded).....	5.00	5.00
c. Death of a Registered horse.....	\$5.00 credit	No charge

Original certificate to be submitted. It will be marked DECEASED and will be returned to registered owner.

d. Change of Name.....	\$40.00	75.00
------------------------	---------	-------

Provided animal is no more than five (5) years of age and has no registered off-spring and subject to the approval of the Board of Directors and to a non-refund offers submitted if application is rejected.

7. OTHER SERVICES

	Member Fees	Non-Member Fees
a. Registration of Breeder's Prefix.....	\$ 35.00	\$ 70.00
b. Registration of Lease.....	10.00	25.00
c. List of Progeny of Individual Breeding Stock.....	10.00	25.00
d. Surcharge on incomplete or incorrect applications.....	10.00	25.00
e. Duplicate Certificates.....	30.00	70.00

Duplicate certificates shall be issued only on satisfactory proof of loss, and upon application by the registered owner, but the issuing shall be subject to the approval of the Board of Directors.

All remittances payable to Canadian Livestock Records Corporation:
2417 Holly Lane,
Ottawa, Ontario K1V 0M7
Telephone (613) 731-7110 Fax (613) 731-0704

Application forms and lease forms available upon request from Canadian Livestock Records Corporation.

C.R.T.W.H - NATIONAL REVIEW

REGISTRATION OF FOALS - EFFECTIVE JULY 1st 1994
Registration of purebred Foals will now be accepted without prior registration in the U.S., when the sire and/or dam only have U.S. papers. Double Registration is not required in Canada, it is your option to obtain both Canadian and American papers on the foal. If the parents only have U.S. papers, photocopies of both sides of their papers must be submitted with the application to register the foal. If either of the parents are already Canadian registered simply quote their Canadian number in the appropriate box on the application form. Blood Typing is not mandatory for Canadian registrations. However, blood typing may be called for at any time to confirm parentage, and random testing may be done at the request of the C.R.T.W.H.

FEES for registering foals are pro-rated according to age, so have your applications in before the foal is six months old, for the lowest rate.

A MEMBERSHIP in the Canadian association (CRTWH) reduces your fees by 50% or more in most cases. Memberships can be sent in at the same time as registration applications. Make sure your

membership is in exactly the same name as the "Owner" quoted on the registration application form.

If in doubt please inquire to Canadian Livestock Records Corporation, Ottawa or CRTWH President, Randy Johnson, 22563 Township Rd. 520, Sherwood Park, AB. T8C 1E7 (403)464-4752 or CRTWH Secretary, Helen Williamson, Box 56, Site 2, R.R.8, Calgary, AB. T2J 2T9 (403)931-3838, or contact any of the directors.

1994 BOARD OF DIRECTORS

President: Randy Johnson, Sherwood Park, AB.

DUSTY FILES: Ten Years Ago in WHN

Here are a couple of stories that I thought would interest you from the July/August 1984 issue.

From the Ontario News: DR. PHIL WRIGHT, GUELPH, writes, "For many years I have been active in bird dog trials and was aware of the TWHs brought up and often left in Manitoba, Saskatchewan and Alberta by the "pros" such as Bybee, Madison, TenBroek, Kusen, Eaton and Gates, most of whom I have met casually on the dog circuit. Indeed, my ambition has been to run my own dogs in the trials in Alberta at the A-7 Ranch, Gleichen, etc. However, it's really too costly to trailer a couple of horses out there. I've ridden some of the Quarter Horses at Gleichen and they are rough for a day in the field."

"If you wish, I will try to help with a "census" of TWH in southwestern Ontario. I don't know all the owners but I can add the field trialers who are not "joiners". They are strictly one hundred percent users."

"One thing that caught the eye of myself and a couple of friends who perused your paper last evening was the small size of so many of the TWH advertised. Sure, we have many of them too, but strive for at least 15:2 hands and 1100 pounds or more. My own two are 16 and 16:1 hh and 1200 plus pounds. I know the old Walkers were somewhat smaller but we go for strength and sturdiness."

"Right now I am breeding to Can-Am's Choice, a son of Go Boy's Crown Royal. He is 16 hh and a truly natural, keg-shod walker. At the present time we have two spring foals, a colt and a filly; three 2 year olds, a gelding and two fillies; two brood mares, one 13 and one "aged" (papers never got transferred); two aged geldings whose papers were never completed by field trialers and one 6 year old Missouri Fox Trotter. Five of these are boarders."

From the B.C. News, MICKEY CHAPMAN of PENTICTON wrote,

"I first started riding a Walker - or was introduced to one - when a friend, Virginia Budgen, showed me a purebred mare which had been brought from New Mexico as a two year old. She was almost 17 hands, of a colour described as "flea bitten" - off white with little black freckles. She was about seven when I saw her and had a colt of the same colour at her side. Frankly, I was not impressed by her - she wasn't

a thing of beauty. Six months later I was riding her. (We had access to a pasture and in Penticton they are hard to come by.)"

"She had had a wire cut on one front foot and this made her compensate with a slight abberation in gait. Despite this handicap, her stamina and ability were unbelievable. She was like "Pegasus" - truly the flying horse. We, in the Penticton club, were taken on many trail rides of some distances and the more sedate members on non-Walkers looked askance as we floated by them effortlessly."

"Her owner would not sell her and two years later she died, just before foaling. She had been injured jumping a creek. Her name was BELL'S MERRY LEGS."

"In the meantime, I had found STARDUST PARADE. He was the first foal sired by Jim Browne's OKANAGAN ROAN ACE (Allen's Gold Ace 440068 x Fisher's Joanna 450328) out of STARDUST. Jim Browne and a Mr. Tipton had purchased a carload of TWH (registered stock) around 1948, I believe. Bell's Merry Legs was one of them and although Jim wanted to keep her, he had to part with some of them. Some went to the Kootenays with Mr. Tipton and I believe Pearl Tompkins obtained some of her foundation stock from him."

"There were many part-Walkers in this area but my Parade was one of the few purebreds. He was sold to me by a lawyer who had obtained him from a prestigious dude ranch which was started in the Okanagan by a very good horseman who had the best of everything but went too far in his line of credit."

"Parade was improperly handled after this and gelded at age six. He became very neglected and when I was offered him, I took him for six weeks to see if the damage was permanent. He was half starved; he looked like a broomstick and was

CLEAR CREEK WALKERS

GARY & LYLA GOIN

BOX 123 (403)387-4192
MILLET, ALBERTA T0C 1Z0

full of worms with woodticks in his mane. But I bought him and he recovered to his beautiful glorious self. We had him for 19 years. He never recovered from his distrust of men and he was truly my horse. I rode him everywhere under all sorts of conditions. He was such a beautiful chestnut with a flaxen mane and tail and a bald face that he was outstanding in appearance and demeanour."

"We had to have him put down at age 27 last year."

"I recently sold a lovely mare and have her filly. I also own the great-granddaughter of Bell's Merry Legs and Okanagan Roan Ace. She is Strolling Stella, a beautiful 16 hand chestnut, but I can't relate to her as I did to old Stardust Parade. I still laugh at Kenny McLean's nephew, as he looked at our horses, asking my youngest son, "Who rides that old b - - tard? He's a handful" and my son replying,

"Oh, that's Mother's horse."

The WHN "Once a Decade" TWH Price Survey

Here, for comparison is a photocopy of the results of the Price Survey printed in the July/August issue of 1984. See page 21 for the current prices, 10 years later.

PRICES SURVEY OF Purebred, registered Tennessee Walkers in Canada

74 transactions were recorded and classified as follows.

MATURE STALLIONS, well broke: total 4; high price \$2250, low \$2000. Av. \$2162.50
" " " " , halter broke - only one recorded at \$1000.

MARES

Three yrs & over, well broke - 27 total. Highest prices \$3200 & \$3000; lowest prices \$500 & \$600. Average price \$1780.

Three & over, green broke - 8 total. High \$1600, low \$900. Average \$1262.50.

Three & over, halter broke - 2 recorded at \$1500 & \$2500.

GELDINGS, 3 & over

well broke - total of 6 with high price \$2500, low 1200. Average price \$1725.

Green broke - total of 3; prices \$1150, \$1000 & \$2250.

Halter broke - 2 only; prices \$900 & \$950.

TWO YEAR OLDS, ANY SEX

Halter broke - only 3 reported at prices of \$850 (twice) and \$1500.

Green broke - 3 reported at prices of \$1800, \$2500 and \$2800.

YEARLINGS, ANY SEX

7 sales reported; high price \$1800, low \$650. Average \$1040.

WEANLINGS, - COLTS & FILLIES

10 reported; high price \$2000, low \$600. Average price - \$890.

Fewer than a half dozen people felt that they had not gotten their money's worth So there you have the prices survey. It gives only a very rough idea of prices since it represents only a fraction of the actual sales that took place during '82 & '83 & half of '84. Also in most categories there are not enough sales to form an idea of an average.

These 'averages' do not take into account differences in conformation & quality, disposition or purity of gait, or if the animal is in its prime or well up in years. So use it only as an indicator of what some Walkers have sold for in the past. Thank you to all who were interested enough to send in your transactions. I hope you find the information helpful.

The WHN "Once a Decade" TWH Price Survey

Thanks to all who sent in their information on TWH prices. 50 transactions were received, recorded as follows in the chart.

AGE GROUP	LEVEL OF TRAINING	SALES QUOTED IN CANADIAN DOLLARS			
		MARES	GELDINGS	STALLIONS	
WEANLINGS	untouched		350	50	
	halter broke	600		900	
		800		1000	
		1000			
1500					
YEARLINGS	untouched	5700 300	1500		
	halter broke	1800	1200	1200	
		1800		2500	
				3300	
2 YEAR OLD	halter broke	1800 6400			
	green broke	4000			
3 YEAR OLD	halter broke	2000	800	1900	
	green broke	1200	3780		
4 YEARS & OVER	green broke	1500		2000	
		3500		4200	
		3500			
	broke		2000		
			2500		
	well broke	2800	1600	4900	
		3000	2000		
		4200	1000		
		9500	4500		
		2700	4500		
3300		3500			
3000		6000			
broodmares	2500				
	2500				

Average Price on 8 "Well Broke Mares, 4 Years & Over" = \$3937.50

Average Price on 7 "Well Broke Geldings, 4 Years & Over" = \$3300.00

The prices are in Canadian dollars, although some of the horses were bought or sold in the States. Only two people felt that they had not got their money's worth. The training level recorded is as the owner or seller stated it. We did not define green broke, well broke, untouched or halter broke. There is too much variation for averages to be meaningful in most categories. I think it may be helpful to buyers and sellers to see the actual prices paid for Walkers of various ages and stages of training. It is interesting, anyway, and shows quite some differences from the 1984 survey!

THE FIELD TRIAL HORSE

by Murray McCargar

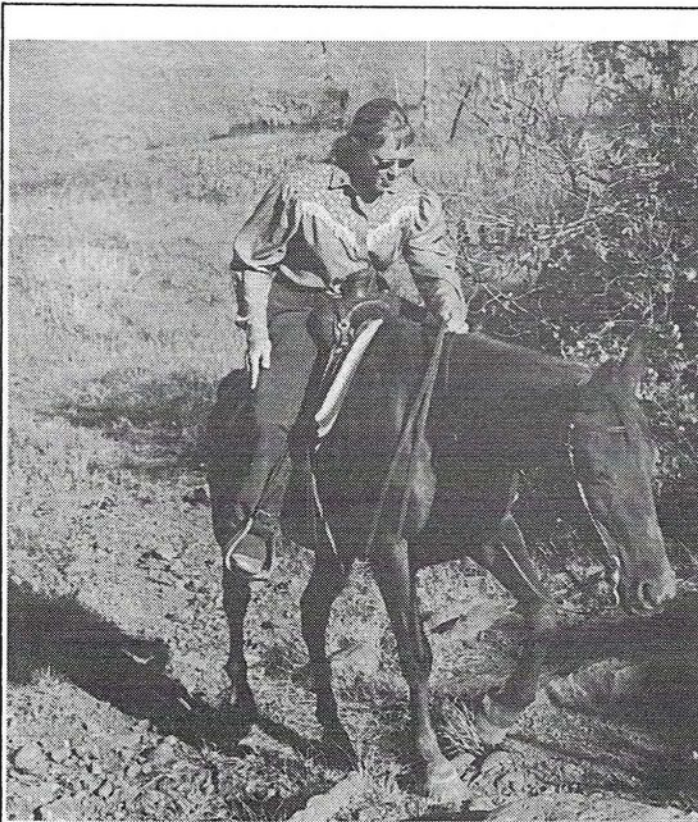

Field trialing is a sport where bird dogs hunt for upland game birds in competition, while the handlers are mounted on horseback. The pointer and setter breeds are the fast running, far ranging dogs, and as such, require a horse that will keep up with them while providing a smooth comfortable ride for the handler.

The most popular field trial mount today is the Tennessee Walker. The reasons are as follows. Firstly, the Tennessee Walker is a very even tempered animal. When you have whistles blowing, dogs pointing, guns being fired, birds flushing, and plenty of excitement, you want a horse that will keep its head. Not that the Tennessee Walkers don't get excited. At some of the championship trials where anxieties are high, the horses do show it, but generally they are extremely well mannered. The Tennessee Walker has taken to field trialing like the Quarter Horse has to cow cutting. You have only to participate in a few trials to discover that the horse is probably doing more for you than you

realized. An experienced horse soon anticipates every movement of your dog and of you, the handler.

Secondly, you want a mount that is smooth. Whether you are training your dog or are in competition at a trial, there is inevitably some long, hard riding. Having a smooth mount that has endurance is essential. All the gaited horses have been tried (as well as non-gaited) and the Tennessee Walker has continued to stay at the top. Some people have tried infusing different bloodlines, i.e. TWH/draft crosses. This gives you a big, solid horse and if it is gaited, you have a pretty good animal. Other crosses have been Saddlebred/TWH, Arab/TWH, and Peruvian Paso/TWH. However, the majority of the field trial horses today are papered Tennessee Walkers. The reason for this is that most of these horses are show horse culls. (Perhaps their color was not just right, or maybe they had slight conformation defects.)

The Tennessee Walkers began showing up in Alberta in the mid sixties. The ...cont'd>

Field Trial Horse cont'd...

professional dog trainers from the U.S. brought them up to their summer camps. Alberta, Saskatchewan and Manitoba host a number of dog trainers from the first part of July to September. The cost of hauling these horses back south, coupled with stringent veterinary rules at the Canada/U.S. border, has encouraged the dog trainers to sell their horses in Canada at the end of the season. Each year as our field trial membership grows more horses are purchased from these trainers. The complement of local horses has grown tremendously over the past few years. Now, practically everyone in the field trial game has at least one Tennessee Walker.

Field trialing is a great sport and probably as long as the sport itself continues, the Tennessee Walker will be the field trialer's horse. U

STARTING THE GAITED COLT WITH ROUND-PEN TRAINING

by Franne Brandon

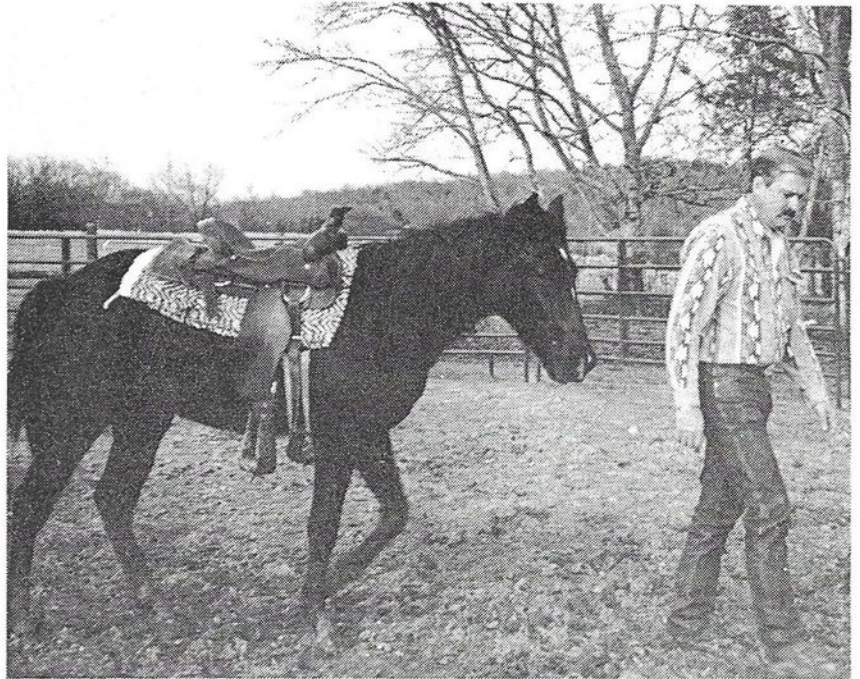

The dreams and planning -- the excitement of foaling -- the pride in watching the foal mature -- all culminate in either frustration or delight when that foal is broke to ride. Although the gaited colt moves differently from his two-beat cousins, traditional techniques for starting him under saddle do not vary much from those of the trotting breeds.

Gentle youngsters may be mounted and ridden after a few lessons of ground driving. Other colts are sacked out, perhaps longed, then mounted. Still others are hooked to a stall door, then moved out under saddle at speed until they relax to a saddle gait and begin to respond to the bit. Sometimes these methods produce acceptable pleasure mounts; sometimes they do not.

One world famous trainer of stock horses has developed breaking strategies based on a keen understanding of the psychology of horses. Following a very successful career as a private trainer, John Lyons has developed a series of videos and symposiums designed to teach his proven techniques for starting young horses to other horsemen, both professional and amateur. These training techniques are currently being successfully employed by one Middle Tennessee pleasure horse trainer in the development of young horses that are attentive, responsive, and willing to work for their riders.

Duran Shults, of Just-A-Wee Ranch, Petersburg, starts young Tennessee Walkers and Spotted Saddle Horses, as well as some of the western breeding. A native of Lawrenceburg, he grew up riding Quarter Horses, and it was his early interest in the stock type horse that led to his acquaintance with the John Lyons methods. Duran commented, "My first impression was that this was the most exciting thing I had ever seen ... and I had been there. This was the most humane training method, a better way."

John Lyons teaches in his video, *Round Pen Reasoning*, that the key to develop the best riding horse is control. The round pen used by the trainer is an aid in obtaining this control, so that the lessons may be completed safely for

JAZZ following her trainer

both the horse and rider.

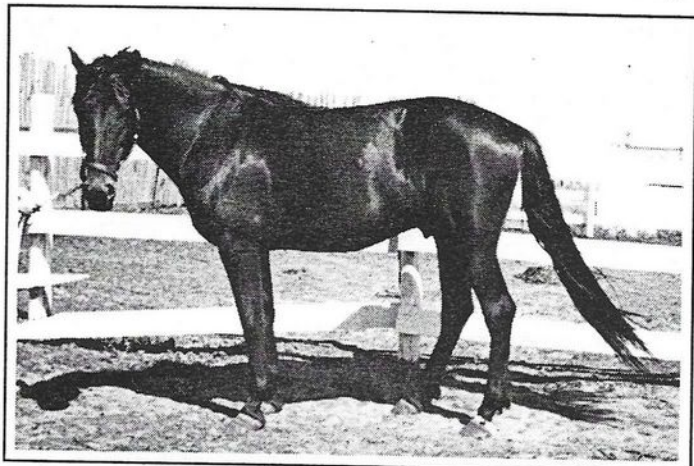

The first lessons taught in the round pen are done with the horse at liberty. The handler gains control of the animal by controlling its direction of movement. The trainer is quite active, moving with the horse, encouraging it to keep cantering with a wave of the arms or a flip of a lariat. Once the horse has learned to give to the trainer by facing him, the saddling process begins. One step builds on another until the horse has learned to move in the direction requested, stand quietly for saddling and mounting, and then move out freely and calmly at the discretion of the rider.

Three youngsters worked by Duran in the autumn of 1992 illustrate the versatility of Lyons' method in meeting the needs of a trio of equine personalities.

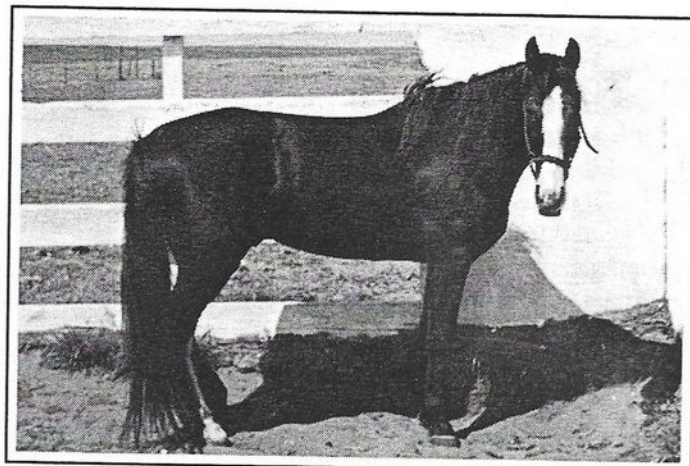

Holiday Hot Jazz, owned by Tommy and Kathy Jones of Lewisburg, is a coming two year old Walking filly. Show horse bred on the top and bottom of her pedigree, yet she possesses a laid back outlook on life that makes her open to human suggestions. Her first lesson in the round pen proceeded from initial movement to control in only fifteen minutes! After that, each succeeding lesson brought quick, cont'd p.27>

SPECIAL 1995 Stud Fee Rates:

For the 1995 breeding season we are offering a special rate. For bookings received prior to December 31, 1994 Stud Fees will be locked in at \$300. From January 1, 1995 - March 31, 1995 Stud Fees will be \$350. For bookings after March 31, 1995 Stud Fees will be \$400. Mare care is \$3 / day (GST not included). All bookings will be under contract -- re-breeding or refund. LFG. Both stallions are blood-typed and double registered.

Round Pen cont'd...

correct results. Kathy just finished showing her three year old mare, **Totally Exposed**, to a SSHBEA Supreme Championship, and hopes to show **Jazz** in plantation classes, while she continues to exhibit **Totally** in the summer of 1993. Whether further training leads to the show ring or the trail, it will be based on a firm foundation in a little mare who has definitely acquired the "want-to" attitude that the John Lyons method develops.

Tumbling Dice, better known as **Little Amos**, is a bay and white tobiano, Spotted bred on the top, out of a Walking mare. A coming two-year old stallion, he arrived at Just- A-Wee Ranch convinced that he already knew his purpose in life, and that it did not involve much human intervention. Work in the round pen was not as simple with Amos as with Jazz. More work in the pen was required before he understood that it was better to come to the trainer than run along the rails. At the first saddling, Duran sent Amos quickly back to the rail, anticipating the bucking and pitching that did come. The lessons continued, however, with determination and patience, until Amos would follow the trainer, stand quietly without restraint for saddling and mounting, and move out with plenty of spirit but still in the control of his rider. Amos belongs to Jimmy and Tonya Moss of Lewisburg, and Tonya hopes he will be her first two year old show stallion. He is definitely a good prospect, one that will carry her in style and safety around the show ring.

Molly is a 1990 Walking filly belonging to the author's daughter. She spent the summer getting broke to saddle by a Middle Tennessee teen-age boy. But illness and chores cut down his saddle time to thirty days. When she was back home, we saddled up for the first ride. She had no patience for mounting. Once I managed to swing up, she headed out at speed, barely bridle wise, tense as a coiled spring. Her nervousness fed my anxiety so that when I finally obtained enough control for a "whoa!" and dismount, I decided that I never wanted to ride that particular mare again! And forget any ideas of her becoming ten-year-old Kristi's saddle mare!

It was my husband who suggested investing in thirty days of round pen work for Molly. It

Round Pen riding without bit HOLIDAY HOT JAZZ

would actually involve a process of re-breaking, since she'd been started by conventional techniques. We were astounded at the speed with which the round pen reasoning worked with Molly. After less than two weeks work, I could try her again. The minute I touched the saddle seat and gathered the reins, I could feel the difference. She was willing and waiting on my suggestions. The difference in gait was perhaps, for us, the most remarkable. Replacing the uncertain pace-rack-fox-trot she had done, was a timed, cadenced, loose, flat-foot walk, with a long striding running walk when called on. The change in her attitude had allowed her natural Walking inheritance to finally come through. We are now toying with the idea of some Lite shod classes for Molly this year, but we're also looking for an acceptable mate. We dream of **Little Mollies**, moving just like their mother, all started naturally with Round Pen Reasoning!

and riding clinics provide the training techniques necessary to correct any number of problems in horses much worse than Molly. Duran states, "In most cases you can take the worst horse, that's really been badly trained, and turn it around, completely rebreaking it."

John Lyons has worked with many National and World Champion Morgans, Saddlebreds, Paso Finos, Peruvian Pasos, and other gaited horses including Fox Trotters and Tennessee Walkers, using his training expertise to help these animals achieve their owners' championship goals.

If you would like to add the Lyons' tapes to your video library, you can call 1-800-877-1302 for a complete catalog of products and services available. The cost of the catalog is \$3.00, deductible with the first \$15.00 order. For more in-depth information about the John Lyons Symposiums, hands-on riding clinics, how to submit one's horse for use in one of his programs,

or information on his trainer referral directory service, write to John Lyons Symposiums, P.O. Box 479, Parachute, Colorado 81635.

If you are in Middle Tennessee and would like to see an actual demonstration of the John Lyons principles in practice with a gaited horse, call and come by to see Duran. He and his wife, Brenda, will be happy to show you their new barn, explain their system of care and handling, and let you watch young horses working calmly and safely, while displaying their "want-to-attitudes" that result from round pen training. Contact: Just-A-Wee Ranch, 2566 Toll Gate Road, Petersburg, TN 37144 or call (615) 659-9981.
